Endorsement Letter For Carmen Montano

September 30, 2024

Candidate for Milpitas Mayor

The Silicon Valley Fraternal Order of Police, Lodge 52, is pleased to endorse Carmen Montano for Milpitas Mayor.

Silicon Valley Fraternal Order of Police, Lodge 52 has previously endorsed Mayor Montano because of her support of law enforcement. We acknowledge that during her tenure, Mayor Montano recently went to battle to ensure the Milpitas Police Officers received a fair wage. As Mayor she seeks to increase salaries and improve benefits to attract police candidates.

Mayor Montano understands that Prop 47 was detrimental to society and tied the hands of law enforcement officers trying to do their job.

Mayor Montano is against defunding the police and believes in qualified immunity for those legally performing their duties.

The citizens of Milpitas deserve a safe place to live.

Sincerely,

Cindy Calderon

President
